

Master 4

MAR40618 - Certificate IV in Maritime Operations (Master up to 35 metres Near Coastal)

2021 Calendar

Seafood and Maritime have designed the Training Calendar to help you fit your studies and lifestyle around your training and assessment needs.

Mix and Match

You can choose multiple ways to complete your qualification:

- Face to Face Training = Attend all Training Days. (Does not have to be in the same block of training. You can spread this out over the year if you wish).
- Combination of Face to Face and Distance - Choose which units you want to attend and do the rest at home or in the workplace.
- Recognition of Prior Learning and Credit Transfers + a combination of above.
- ❖ *Please note: Most assessments and project components are completed via Distance Learning enabling you to study where ever and whenever you want.*
- ❖ *Master 4 does not require an AMPA, you will need to book in with AMSA for an oral exam.*
- ❖ *You are required to hold a Master 5 Lic and qualification for at least 12 months prior to entry into this qualification.*
- ❖ *You can join in for any of the practical sessions if you think you might want extra training or updates on how to do any tasks as described in the Seetime Task Book.*

Certificate IV in Maritime Operations
